GOSPEL VALUE OF THE WEEK

INCLUSION

LISTEN to the Word of God

The Parable of the Wedding Feast

"Now go to the main streets and invite to the feast as many people as you find."

Matthew 22: 1 -14

RESPOND to the Word of God

As we reflect, give thought to:

- ♥ Why do you think the king invited more people to his wedding feast when the first guests did not come?
- ♥ What does the king's invitation to people from all walks of life teach us about God's love?
- ♥ How do you think the people felt when they were unexpectedly invited to the celebration?
- ♥ What does Jesus want us to learn about welcoming and including others?
- ♥ How can we follow Jesus' teaching by making sure everyone feels welcome, valued and included in our school community?

GO FORTH with a mission from the Word of God

Jesus tells the story of a king who prepares a wonderful wedding feast. When the invited guests do not come, the king sends his servants into the streets to invite others, welcoming people from all walks of life. This reminds us that God's invitation reaches everyone. Jesus teaches us to look beyond our differences, welcome others with kindness and make sure that nobody feels forgotten or left out. At St Sebastian's, inclusion means recognising that every person is special, valued and loved by God. We may have different interests, abilities, backgrounds and experiences, but we all belong to one school family.

MISSION CHALLENGE:

Who can I help to feel included this week and what can I do to show them that they belong?

The Wednesday Word is an outreach which shares Sunday's Gospel with all school families in a unique way. [Click here](#) for this week's latest Wednesday Word to discuss with your loved ones at home.

We are delighted to celebrate the personal achievements of our children this week! Each of these stars has been carefully chosen by their teachers for a variety of reasons, whether it's demonstrating outstanding behaviour, producing an excellent piece of work, mastering a tricky concept, showing kindness to others, or going above and beyond in so many ways.

In all they do, these children are shining examples of our school motto:

"Only my best will do. Be kind to one another."

Through their efforts and actions, they live out our Catholic values each day, inspiring those around them.

As Pope Francis reminds us, *"Each of us is a masterpiece of God's creation."*

Well done to all our shining stars!

**WEEKLY NEWSLETTER – FRIDAY 9TH OCTOBER 2026****HOUSE POINTS**

Every child from Nursery to Year 6 has been assigned to one of our four houses:

St George, St Margaret, St David, or St Brigid.

Children can earn house points for going above and beyond, especially when they demonstrate our Gospel values:

Be Ready to Learn → Diligence

Be Resilient → Courage / Perseverance

Be Respectful → Respect

Be Responsible → Responsibility

Each week, points are totalled, and the winning house enjoys an extra playtime. The house with the highest total at the end of the half term will celebrate with a special afternoon celebration.

ATTENDANCE & PUNCTUALITY

The national expectation for attendance is **97%** and above, but at our school, we aim even higher!

Guided by our values of care and responsibility, we monitor attendance and punctuality every day, working together as a school community to support our children in being present and engaged. By attending school regularly, our children can make the most of every learning opportunity and flourish in their talents and abilities.

MRS J MCCORMICK'S CELEBRATION SHOUT-OUTS

Guided by Christ, inspired by St Sebastian:
Only my best will do. Be kind to one another. Amen.

Each week, I love to take a moment to celebrate and give a little shout-outs to children, staff or classes who have really shone this week. It might be for showing kindness, living out our school motto, working hard in their learning, being a brilliant team member, or simply making a positive difference in our school community. It's such a pleasure to recognise the efforts and kindness that make St Sebastian's such a special place.

WORLD TEACHER DAY

To the world you are a teacher
but to them you are a whole world of
kindness, a world of friendship, learning,
of adventures, of reading stories, drawing
pictures, a world of beautiful childhood
memories. You are part of their first steps
into the world and they will always
remember the little world you created
for them. ♥

On Monday, we celebrated World Teachers' Day and I wanted to take the opportunity to recognise and thank every single member of our St Sebastian's School, Nursery & Daycare team. Whilst the day is dedicated to teachers, I know that it takes a whole team of wonderful people, working together, to make St Sebastian's the special place that it is. Every member of staff plays an important part

in caring for, supporting and inspiring our children each and every day. As a little token of my appreciation, there were some sweet treats in the staffroom for everyone to enjoy! Thank you to our whole St Sebastian's team for everything you do, always going above and beyond and for the care, kindness and dedication you show our children and families every day. I am incredibly grateful for all that you do!

BOOK LOOK

This week, I had the pleasure of carrying out a whole-school book look, reviewing our children's learning and progress from Nursery right through to Year 6. Just five weeks into the new school year, I was so impressed with what I saw!

From our youngest children developing their early mark-making skills to Year 6 producing brilliant historical accounts of World War II, it was wonderful to see the progress already being made. What stood out most was the pride children took in their work, their growing ownership of their learning and how eager they were to show off their books! It was also lovely to see a real focus on presentation, children recording their own learning and a move towards fewer worksheets, giving children more opportunities to demonstrate what they know and can do independently. A huge well done to all our children and staff. Only five weeks in and already so much to celebrate!

Y5 BLACK HISTORY MONTH EVENT @ LFC

What a fantastic enrichment opportunity our Year 5 children enjoyed this week! Across Thursday and Friday afternoons, they took part in a special Black History Month event organised by Liverpool FC and Premier League Primary Stars, visiting Anfield Community Centre and Anfield Stadium. The children enjoyed interactive activities including dancing, drumming and learning about Capoeira, an Afro-Brazilian art form combining dance, music and martial arts. They also explored different traditions, celebrations and the wonderful cultural diversity that makes our city, Liverpool such a special place. It was lovely to collect the children and hear them (and Mrs L McCormick and Ms Bullen!) so excitedly sharing their experiences. "It was amazing!" certainly summed it up! A huge thank you to Liverpool FC for such a memorable experience and to our staff for making it possible!

WORLD MENTAL HEALTH DAY

With World Mental Health Day taking place tomorrow, Saturday 10th October, we decided to start the celebrations a day early here at St Sebastian's! As a proud myHappyMind school, we know how important it is to look after our mental health and wellbeing.

Today, our school was brightened up with children & staff wearing colourful accessories. Throughout today, children have enjoyed a range of activities exploring emotions, gratitude, resilience and the importance of looking after ourselves and one another. A special highlight was introducing our new myHappyMind Ambassadors... our Happiness Heroes, during today's celebration assembly! These children will help champion positive mental health and wellbeing across our school community. A huge thank you to our children, families and staff for embracing the day and making it so special! At St Sebastian's, we want every child to feel happy, valued, supported and proud of who they are. Keep an eye out for more information about our **myHappyMind Parent App**, helping families continue these important conversations and positive wellbeing habits at home!

SEND DROP-IN SESSION

A big thank you to all the families who joined us for our SEND Drop-In Session on Wednesday. It was lovely to welcome parents and carers into school and provide an opportunity to ask questions, share concerns, discuss their children's needs and find out about the support available.

Thank you to Mrs L McCormick, Ms Mello and the Mental Health Support Team for taking the time to meet with families, offer advice and provide guidance.

WEEKLY NEWSLETTER – FRIDAY 9TH OCTOBER 2026

HIGHLIGHTS OF THE WEEK

“Encourage one another and help one another, just as you are now doing.” – 1 Thessalonians 5:11

St Sebastian's is a hive of activity, with every class busy learning, exploring and growing together. Each week, we share highlights from every class – this could be linked to exciting learning in a particular subject, positive behaviour, teamwork, kindness, creativity or a special achievement that the children are proud of. Take a look below to see what has made each class shine this week!

DAYCARE (9MONTHS – 2 YEARS)

BABY ROOM

Ms Hannah & Mrs Natalie

This week in the baby room, the children have had a wonderful time exploring a variety of books. It's so lovely to see their excitement in the reading corner as they dive into different stories. We've also shared some beautiful moments in the garden, with many of our little ones taking their first independent steps. As we wrap up the week, we're excited to celebrate "World Mental Health Day." We'll focus on baby massage and mindfulness activities, helping us finish the week on a happy note together.

TODDLER ROOM

Ms Chloe & Mrs Marilyn

This week in Toddler Room, as part of World Mental Health Day this week, we have been exploring different ways to support our emotional wellbeing. We have enjoyed a variety of autumn sensory activities, providing opportunities to slow down, explore different textures, colours and materials. We have also engaged in music and dancing activities, alongside mindful movement, allowing children to express themselves freely and understand how moving our bodies can help us to feel happy and calm.

EARLY YEARS

NURSERY : PRE-SCHOOL

Ms Gould & Ms Gleeson

This week we started our new topic all about Autumn! We went on a nature walk and loved exploring our woodland area, becoming little nature detectives. We noticed how the leaves are beginning to change colour and collected lots of autumn leaves ready to create our very own class autumn tree! We have also been exploring autumn colours through our creative activities and had lots of fun using our fingers to paint our own autumn trees. It was lovely to see all the children looking so happy and bright for World Mental Health Day. We enjoyed taking part in our myHappymind activities and thinking about what makes us feel happy. Another lovely week of learning together in Nursery!

RECEPTION

Mrs Feeney & Ms Williams

The week started off with lots of excitement as a letter and empty picnic basket arrived... the children found the letter was from one of our story characters inviting us to a picnic on the beach, but they needed help writing a shopping list first. The children showed off their phenomenal writing skills and used the phonics knowledge to write their lists. Thank goodness they did as the picnic basket was filled with items they'd chosen today and we enjoyed an indoor picnic together. We also loved celebrating World Mental Health Day with the children looking wonderful with the addition of their favourite colours.

KEY STAGE 1

YEAR 1

Ms Alderton, Mrs Langley, Mrs Reynolds

This week in Year 1, we have had lots of fun exploring our five senses in Science! We challenged ourselves by taking away our sense of sight using blindfolds and explored how we use our other senses to discover the world around us. We particularly enjoyed putting our sense of taste to the test by trying sour lemons, which led to some very funny faces! In RE, we have been learning about the purpose and importance of prayer and how it helps us grow closer to God. We shared our thoughts and ideas before working together to write our very own class prayer.

YEAR 2

Mrs Rabbette, Mrs Fitchett-Sabbagh, Ms McKeown & Ms Chan

It's been another wonderful week of learning for Year 2. In RE, the children researched about endangered animals then they created posters to describe ways they can show care for God's creation. To mark Black History Month, the children learned about Katherine Johnson, the famous American mathematician who worked for NASA - her calculations were critical in sending the first USA crews into space. Today the children wore colourful accessories to celebrate World Mental Health Day. Year 2 participated in a whole school assembly, followed by activities to support their mental health e.g. 'Happy Breathing' to help us when we feel sad, scared or worried; singing our 'Happy Healthy Brain' song, to make us feel positive.

Guided by Christ, inspired by St Sebastian: Only My Best Will Do. Be Kind To One Another. Amen

WEEKLY NEWSLETTER – FRIDAY 9TH OCTOBER 2026

KEY STAGE 2

YEAR 3

Mr Myles, Mr Morton & Ms Conway

This week has been incredibly productive and full of great learning. In maths, we sharpened our skills by focusing on addition and subtraction concepts. Our creative writing truly shone as we completed our tense "approaching the threat" narratives. In science, we turned into young geologists to discover how soil is formed over time. Finally, we wrapped up our busy week by perfecting our literacy with focused handwriting and spelling practice.

YEAR 4

Ms Kaur & Ms Case

Year 4 have had another brilliant week! We completed our first big write which was a setting narrative inspired by The Whale, everyone worked so hard on handwriting and independently editing work. we led Celebration of the Word this week and have tried to live out the Gospel Value of Patience in everything we do! We celebrated Black History Month and World Mental Health Day this week through creative yet informative ways! Finally, we have been practicing our timetables so much and are so proud of our peers who have Gone Green on TTRS and those who have made progress on their UrBrainy scores too!

YEAR 5

Ms Perez & Ms Bullen

We have had such an exciting week in Year 5! On Tuesday, we spoke to real-life Astronomers, and asked them questions we had about space. Did you know that the Sun will not be here forever? And the Moon moves 4cm away from us every year?

On Thursday and Friday, we went to Anfield to attend a Black History Month workshop. We did lots of activities such as playing the African drums, and learning the Capoeira: An Afro-Brazilian dance. We have also been working so hard in Maths, comparing and ordering numbers up to one million!

YEAR 6

Mrs L McCormick, Mr Mosaid, Ms Doyle & Mrs Maguire

We are feeling extremely proud this week in Year 6. We have completed our well-planned Rose Blanche diary entries featuring some of the highest standard English writing so far! In Maths, we were impressed with how well we answered SATs style questions and were hungry for more! Our History lessons have had us hooked this week as we looked at how Liverpool has been affected by The Blitz! Today, we celebrated World Mental Health Day. Our 2 Happiness Heroes were chosen to be mental health ambassadors in school and we picked out things that we are grateful for in school: friends, astro time and our teachers were top of the list!

HANDWRITING OF THE MONTH

Each month, staff will select one child from every class, from Reception right through to Year 6, who has particularly impressed them with their handwriting, presentation or the care and effort they put into their work.

From early mark-making and developing pencil control in Reception to beautifully presented written work in Year 6, we want to recognise effort, improvement and children taking pride in their learning.

The children's wonderful work is now proudly displayed around school for everyone to see, giving our winners the opportunity to celebrate their achievements and inspire others.

A huge well done to our September winners! It's not about having perfect handwriting, but about making progress, taking pride in your work and showing that "Only my best will do!"

CAFOD FAMILY FAST DAY

Following our CAFOD Family Fast Day on Friday 2nd October, we are delighted to share that our St Sebastian's community raised a wonderful **£89.23** for CAFOD, alongside a fantastic collection of food and essential items for our local Food Bank.

On Wednesday, some of our Faith Friends, accompanied by Mrs Rabbette and Ms Mello, visited the Joseph Lappin Centre to deliver our families' generous donations. It was a particularly meaningful visit, with the children learning about the centre's story and the wonderful work it does for our local community.

What made me especially proud was hearing about the children's conversations on their way back to school, reflecting on how good it felt to help others and give something back to their community. A lovely example of our school motto being lived out in action!

A heartfelt thank you to all our families for your kindness and generosity.

Read our full news article '[CAFOD Family Fast Day – Faith in Action](#)' to find out more about our Faith Friends' visit and see how your generosity has made a difference.

WEEKLY NEWSLETTER – FRIDAY 9TH OCTOBER 2026

ARCHDIOCESE OF LIVERPOOL SCHOOL BUILDING FUND ANNUAL SCHOOL LEVY

Dear Parents | Carers,

Each year, St Sebastian's contributes to the Archdiocese of Liverpool School Building Fund, commonly known as the School Levy.

This fund helps Catholic schools across the Archdiocese maintain, repair and improve their buildings, ensuring our children continue to benefit from safe, welcoming and well-maintained learning environments.

As a Voluntary Aided Catholic school, we are required to contribute towards the cost of certain building works. The Archdiocese's School Building Fund helps schools meet these costs, with contributions coming from both schools and parishes.

We would be extremely grateful if families would consider making a voluntary contribution towards this year's School Levy. The suggested amount is **£10 per family** for the 2026–2027 academic year, regardless of how many children you have attending St Sebastian's. **However, any contribution, no matter how small, would be greatly appreciated.**

The fund has already made a difference to our school. In recent years, we have benefited from funding towards the replacement of our boundary walls, helping us maintain and improve our school environment.

How can I contribute?

If you would like to support the school levy fund, you can make your contribution through School Gateway, with the reference: School Levy.

We fully appreciate that every family's circumstances are different and we would like to reassure you that contributions are entirely voluntary, with no obligation or expectation to donate.

We are incredibly grateful for the many ways our families support St Sebastian's throughout the year. Every contribution, however big or small, is genuinely appreciated and helps us continue to provide the very best environment for our children.

Thank you, as always, for your kindness, generosity and continued support of our St Sebastian's school community.

PUPIL MEDICAL & WELFARE FORM

We kindly remind parents and carers to complete the **Pupil Medical and Welfare Form**.

These forms ensure we have the most up-to-date information about your child's health, medical needs, allergies, wellbeing support, and any changes that may help us care for them safely and effectively in school.

MGL ONLINE SAFETY NEWSLETTERS FOR PARENTS & CARERS

"It is essential that children are safeguarded from potentially harmful and inappropriate online material."

Keeping Children Safe in Education 2026

Keeping our children safe online has never been more important. With technology developing so rapidly, particularly the growing use of AI, social media, gaming and online platforms, it can be difficult for parents & carers to keep up with the latest trends, risks and challenges.

We know that screens are now a big part of children's everyday lives, whether they are watching videos, playing games, using apps or communicating with others. Whilst technology can offer wonderful opportunities for learning and enjoyment, **it is important that we know what our children are watching, who they are interacting with and what content they may be exposed to.** Just because a child is sitting safely at home on a tablet, phone or gaming device does not necessarily mean they are safe online.

As parents and carers, we all have an important role in setting appropriate boundaries, monitoring screen time, checking age restrictions, using parental controls and having regular conversations with our children about their online experiences.

To help support our families, MGL produces monthly Online Safety Newsletters, providing practical advice, guidance and important updates about the digital world our children are growing up in.

I would strongly encourage every parent and carer to take a few minutes each month to read these newsletters. With technology changing so quickly, staying informed is one of the most important things we can do to help protect our children.

You can access the latest newsletters and previous editions on our school website:
