WEEKLY NEWSLETTER – FRIDAY 13TH NOVEMBER 2026

GOSPEL VALUE OF THE WEEK

SHARING

LISTEN to the Word of God

Parable of the Talents

"At that time the Kingdom of heaven will be like this. Once there was a man who was about to leave home on a trip; he called his servants and put them in charge of his property. He gave to each one according to his ability: to one he gave five thousand gold coins, to another he gave two thousand, and to another he gave one thousand. Then he left on his trip… '**Well done, you good and faithful servant!… Come on in and share my happiness!**'

Matthew 25: 14 - 30

RESPOND to the Word of God

As we reflect, give thought to:

- ♥ *What did the master give to each of his servants?*
- ♥ *Did all three receive the same amount? Why do you think that was?*
- ♥ *Why do you think God gives us all different gifts and talents?*
- ♥ *Can you think of a time when someone shared their time, knowledge or talents with you? How did it make you feel?*

GO FORTH with a mission from the Word of God

This Gospel teaches us that God has given each of us different gifts and talents. We are called not to keep these gifts to ourselves, but to use them generously to help others and make a positive difference

MISSION CHALLENGE:

This week your mission is to share the gifts and talents God has given you with others.

Remember, sharing isn't just about giving someone something you own. It can also mean sharing your time, kindness, knowledge and talents.

THE Wednesday WORD

Good News for Families

The Wednesday Word is an outreach which shares Sunday's Gospel with all school families in a unique way. **Click here** for this week's latest Wednesday Word to discuss with your loved ones at home.

We are delighted to celebrate the personal achievements of our children this week! Each of these stars has been carefully chosen by their teachers for a variety of reasons, whether it's demonstrating outstanding behaviour, producing an excellent piece of work, mastering a tricky concept, showing kindness to others, or going above and beyond in so many ways.

In all they do, these children are shining examples of our school motto:

"Guided by Christ, inspired by St Sebastian: Only my best will do. Be kind to one another."

Through their efforts and actions, they live out our Catholic values each day, inspiring those around them. As Pope Francis reminds us, *"Each of us is a masterpiece of God's creation."*

Well done to all our shining stars!

HOUSE POINTS

Every child from Nursery to Year 6 has been assigned to one of our four houses:
St George, St Margaret, St David, or St Brigid.

Children can earn house points for going above and beyond, especially when they demonstrate our Gospel values:

Be Ready to Learn → Diligence

Be Resilient → Courage / Perseverance

Be Respectful → Respect

Be Responsible → Responsibility

Each week, points are totalled, and the winning house enjoys an extra playtime. The house with the highest total at the end of the half term will celebrate with a special afternoon celebration.

ATTENDANCE & PUNCTUALITY

The national expectation for attendance is **97%** and above, but at our school, we aim even higher!
Guided by our values of care and responsibility, we monitor attendance and punctuality every day, working together as a school community to support our children in being present and engaged. By attending school regularly, our children can make the most of every learning opportunity and flourish in their talents and abilities.

MRS J MCCORMICK'S CELEBRATION SHOUT-OUTS

Guided by Christ, inspired by St Sebastian: Only my best will do. Be kind to one another. Amen.

Each week, I love to take a moment to celebrate and give a little shout-outs to children, staff or classes who have really shone this week. It might be for showing kindness, living out our school motto, working hard in their learning, being a brilliant team member, or simply making a positive difference in our school community. It's such a pleasure to recognise the efforts and kindness that make St Sebastian's such a special place

REMEMBRANCE SERVICE

A big thank you to our Y4 children who led our school so beautifully in our Remembrance Service at church this week.

It was a special opportunity for us to come together in prayer and reflection, remembering the brave men and women who have given their lives in war, as well as all those who have suffered or continue to suffer as result of war and conflict around the world.

Our Y4 children did a wonderful job leading the As a school family, we pray for peace in our world and ask God to guided us in being peacemakers, showing love, kindness and compassion to others each day.

ARCHDIOCESE SCHOOL VISIT

It was lovely to welcome Maria McGarry (Liverpool Archdiocese Senior Primary Education Advisor | OFSTED Inspector) to St Sebastian's this week as part of Liverpool Archdiocese ongoing school monitoring and support.

During her visit, Maria spent time visiting classrooms, EYFS and Daycare, speaking with our children and staff and seeing school life in action! She had so many lovely things to say about our children, particularly their wonderful behaviour, positive attitudes and the fantastic work they are producing. She was also really impressed by the changes we have made to our learning environments and the ambition and vision driving our school forward.

It is always lovely when someone visiting our school recognised just how special our children are and the hard work, care and dedication that goes into making St Sebastian's the best it can be. I am incredibly proud of our whole school family and all that we are achieving together! A huge thank you to our children and staff who make St Sebastian's such a special place!

Also thank you to Maria for her continued support, encouragement and guidance to helping our school continue to grow and flourish!

Y6 SCIENCE EVENT AT LIVERPOOL UNIVERSITY

What a fantastic morning our Y6 children had at the University of Liverpool on Monday! They were lucky enough to take part in a a Spooky Science event, which gave them the opportunity to step into a real university science laboratory and scientists for the morning. With a focus on chemistry, the children took part in a range of hands-on experiments, from mixing ingredients to create spooky potions to extracting DNA from fruit! It was lovely to see the children so fascinated by the experiments, asking questions, making discoveries and enjoying the chance to put their scientific knowledge into practice.

The children and staff absolutely loved the experience and came back to school full of excitement. Samuel (Y6) described it as "very enjoyable… educational fun!"

A huge thank you to the team at the University of Liverpool for giving our children such a wonderful experience. It was certainly a morning to remember and who knows, we may have some future scientists among us!

Y3 & Y4 INDOOR ATHLETICS

Well done to our Y3 &Y4 children who represented St Sebastian's at the LSSP Indoor Athletics Competition at SFX this morning. It was lovely to see our children getting involved, giving their best and cheering each other on.

We are so proud of their enthusiasm, teamwork and determination.

FRIDAY FUNDRAISING FOR OUR COMMUNITY CHRISTMAS HAMPERS

Today we launched our Fundraising Fridays to help give something back to our local community and spread a little festive kindness! Each Friday, we are asking our families to kindly donate items to help us put together as many Christmas hampers as possible for local individuals and families who would benefit from a little extra support this Christmas.

Today, on the launch of our Fundraising Fridays, we were so appreciative of how generous our families are! Children enjoyed wearing their own clothes in return for a donation of toiletries or personal hygiene products.

If you forgot to bring in a donation, please don't worry, you can still send something in on Monday.

Please refer the table within the newsletter which highlights details of what we will be collecting each Friday.

Thank you for helping us make Christmas a little brighter for others!

WEEKLY NEWSLETTER – FRIDAY 13TH NOVEMBER 2026

HIGHLIGHTS OF THE WEEK

"Encourage one another and help one another, just as you are now doing." – 1 Thessalonians 5:11

St Sebastian's is a hive of activity, with every class busy learning, exploring and growing together. Each week, we share highlights from every class – this could be linked to exciting learning in a particular subject, positive behaviour, teamwork, kindness, creativity or a special achievement that the children are proud of. Take a look below to see what has made each class shine this week!

DAYCARE (9MONTHS – 2 YEARS)

BABY ROOM
Ms Hannah & Mrs Natalie

This week, we had a wonderful time celebrating Nursery Rhyme Week! Our little ones thoroughly enjoyed both the familiar and new nursery rhymes. They did a fantastic job joining in with the songs and acting out the actions. One of our highlights was definitely "Row, Row, Row Your Boat," which brought lots of giggles when our puppet crocodile joined in! We've also enjoyed some lovely moments reading together in our cosy reading area, where the babies had fun flicking through books and pointing out their favourite animals. It's been a delightful week filled with laughter and learning!

TODDLER ROOM
Ms Chloe & Mrs Marilyn

Our toddlers have had a fantastic time exploring traditional nursery rhymes during World Nursery Rhyme Week! They've engaged in a variety of fun activities and especially loved crafting a big pirate boat, where they role-played as pirates linked to the rhyme "Row, Row, Row Your Boat." They also enjoyed becoming a cat and going on a mice hunt inspired by "Pussy Cat, Pussy Cat." It's been wonderful to see their creativity and imagination in action!

Beyond the fun, these rhythmic songs are a wonderful boost for early development. They help build your child's vocabulary, listening skills, and early numeracy, while supporting their social confidence and physical coordination through shared play.

EARLY YEARS

NURSERY : PRE-SCHOOL
Ms Gould & Ms Gleeson

What a lovely week we have had in Nursery! This week, we have been celebrating Nursery Rhyme Week, learning five different nursery rhymes, including *Doctor Foster, Hickory Dickory Dock, Pussy Cat, Pussy Cat* and *Row, Row, Row Your Boat!* We have loved singing along and joining in with the actions! In Literacy, we have been developing our mark-making skills, having a go at recognising, saying and writing the initial letter of our names! In Maths, we have been exploring more and fewer, comparing different groups of objects and talking about which has more and which has fewer!

We have also loved coming into Nursery wearing our own clothes and showing off our lovely outfits for fundraising Friday.

RECEPTION
Mrs Feeney & Ms Williams

Our Reception children have had a marvellous week in school singing our hearts out for World Nursery Rhyme Week. We've used them to expand our vocabulary with new language, discussed rhyme and made our own rhymes and looked at addition and subtraction through rhymes such as five little men in a flying saucer. The children have also loved setting up our class manger where we add straw each time we show an act of kindness in class. As we see the manger be filled with straw, we ready a bed for baby Jesus and our hearts for the coming of the New King.

Our new text of Little Red Hen has also been a great success with the children greatly enjoying joining in with the repeated refrains.

KEY STAGE 1

YEAR 1
Ms Alderton, Mrs Langley, Mrs Reynolds

Year 1 has been loving RE this week! We have been exploring the story of the Visitation, thinking carefully about how Mary and Elizabeth might have felt knowing they were both going to have a baby. The children have enjoyed role-playing the story and sharing some wonderfully thoughtful ideas about what they might have been thinking and feeling.

We have also started our new Science topic and have loved learning all about frogs! We have been looking closely at a frog's body, identifying and describing its different body parts and thinking about what its skin might feel like. We are excited to continue our learning and discover lots more about different animals over the coming weeks!

YEAR 2
Mrs Rabbette, Ms McKeown & Ms Chan

Year 2 began the week by writing prayers for peace on a poppy. We then put them together to make a beautiful poppy wreath. This was presented in church during our Remembrance Service on Tuesday. The service reminded us of the message of love and forgiveness, peace and hope.

In English, the children have worked hard to use exclamation and question sentences to describe some illustrations from our book, 'The Night Gardener.' We had an important lesson in Computing this week, where Mr Keegan talked to us about e-safety. We were impressed with the children's knowledge of keeping safe online. To end our week, Year 2 loved coming to school in their own clothes for our Fundraising Friday. Thank you for the generous donations of toiletries we received for our Christmas hampers.

KEY STAGE 2

YEAR 3
Mr Myles, Mr Morton & Ms Conway

We have had an incredibly busy, thoughtful, and productive week of learning! In Maths, the children have been working exceptionally hard to master their column addition and subtraction, showing great resilience and accuracy when tackling tricky calculations. In English, we have started planning our 'approaching the threat' narratives, brainstorming fantastic, suspenseful vocabulary and ideas ready to bring our stories to life next week. Alongside our core subjects, it has been a very reflective week for our faith and community life. The children were wonderfully respectful when attending our Remembrance Mass, and we worked together as a class to create a beautiful poppy wreath to honour and remember those who served. In RE, we have also been exploring the Bible, deepening our understanding of its importance and meaning for Catholics. To top off a brilliant week, the class loved exploring the rhythms and style of R&B in Music and got very hands-on in DT as we began experimenting with clay. Well done Year 3!

YEAR 4
Ms Kaur & Ms Case

What a fantastic week Year 4 has had! We started our week off preparing for our Remembrance Day Service at St Sebastian's Church. We are so proud of each and every single one of us for being involved in such a lovely service. We have also done some great group work in RE when retelling The Miracle of the Flour and Oil. We consolidated our subtraction knowledge in Maths, with our journals being full of hard work and resilience! Mrs Langley finished our Science topic off with us and introduced our brand-new DT topic for this half term too where we will be making lunchboxes! Finally, we ended our week with some children representing our class and school at an athletics competition and others developing even more skills in Ukulele with Mr Rowe. We had some lovely donations of toiletries and got to wear our own clothes to fundraise for World Kindness Day today, we cannot wait to keep celebrating and giving back on Fundraising Fridays!

YEAR 5
Ms Perez & Ms Bullen

This week we started our new topic Volleyball in PE, practicing under arm throwing skills. We are looking forward to eventually learning the rules of a volleyball match, and playing in teams! In Music we were introduced to our new song: *'Living on a Prayer'* by BonJovi and did so well learning the lyrics and singing along with loud and clear voices.

On Tuesday we loved attending our school's Remembrance service at St Sebastian's church led by Year 4.

In DT, we researched celebrity chef Paul Hollywood, learning about how he became a chef and his variety of delicious bread recipes!

To kick off fundraising Friday's, we came into school in our own clothes. Thank you to all those children who brough in toiletries donations. What a great way to finish an exciting week!

YEAR 6
Mrs L McCormick, Mr Mosaid, Ms Doyle & Mrs Maguire

Year 6 have had a fantastic and eventful week filled with exciting learning and community spirit. A major highlight was visiting the Spooky Science Workshop at the University of Liverpool, where we became scientists for the day, extracting DNA from strawberries, diagnosing and treating a zombie virus, and brewing bubbling potions out of witch's fingernails, warts, unicorn tears, and green goblin goo! Back in the classroom, we took time to reflect for Remembrance Day by writing thoughtful prayers, asking God to protect those in His care who lost their lives through war. In RE, we also completed our Vocation and Commitment topic and are looking forward to moving on to our Advent work very soon. Finally, we rounded off the week by wearing our own clothes today in exchange for toiletries, which will go towards the charity hampers we are assembling to share with those who need them most in our local community. One more thing, we auditioned for roles in 'No One Wraps Like An Elf', our Christmas production!

FUNDRAISAING FRIDAYS FOR COMMUNITY CHRISTMAS HAMPERS

This Christmas, we want to give something back to our local community and spread a little festive kindness!

Starting Friday 13th November 2026, we will be holding Fundraising Fridays, asking our families to kindly donate items to help us put together as many Christmas hampers as possible for local individuals and families who would benefit from a little extra support this Christmas.

DATE	FUNDRAISING	DONATION
Friday 13th November	World Kindness Day: Own Clothes Day	Toiletries Personal Hygiene Products
Friday 20th November	World Children's Day: Own Clothes Day	Toys & Puzzles
Friday 27th November	Christmas Hair & Accessories	Christmas Chocolates & Biscuits
Friday 4th December	Christmas Outfit	Bottles
Friday 11th December	Christmas PJs	£1

WE NEED YOUR NOMINATIONS!

We would also love our school families to nominate anyone in our local community who they feel would benefit from receiving a Christmas hamper. This could be an individual, an elderly neighbour or a family who may be finding things difficult this year. Please send nominations directly to **Mrs J McCormick via ClassDoJo**, including the following information:

Name of the individual or family including | Who lives in the household, including ages | Full address, including postcode | Contact telephone number

Please ensure the person or family is happy for their details to be shared with school.

Our aim is to make as many hampers as possible, which we will personally deliver to members of our local community on **Thursday 17th December.**

As a school family, we know how much we can achieve when we come together. Every donation, no matter how small, will help us make someone's Christmas that little bit brighter. Thank you, as always, for your kindness and generosity!

Guided by Christ, inspired by St Sebastian: Only My Best Will Do. Be Kind To One Another. Amen

For applications to be considered under the Catholic faith criteria, there is a **requirement for baptism** to take place by this date also.

Please take prompt action if you wish your child to be baptised and contact your parish office.

If you are applying for a place at St Sebastian's we ask that you also complete a **Supplementary Faith Request Form** which is to be returned to school via email to: sebastians-s1@st-sebastians.liverpool.sch.uk or by post: St Sebastian's Catholic Primary School, Holly Road, Fairfield, Liverpool L7 0LH

Please give details of your child's baptism on this form and return to school by the **15th January 2027** for your application to be ranked correctly.

For those children baptised in St Sebastian's or St Oswald's church, you should state the approximate date of baptism and the parish records will be checked. We require a copy of the baptism certificate if your child was baptised in another parish.

If you require support completing admission applications or have any questions, please contact the school office (Mrs Von-Bargen) on 0151 260 9697 or via the above email.

Guided by Christ, inspired by St Sebastian: Only My Best Will Do. Be Kind To One Another. Amen
